

U.S. HISTORY II AP - SUMMER READING ASSIGNMENT

MR. ROSENBERG

Book – American History (11th edition) by Alan Brinkley

****** If you did not receive an 11th edition, please see Mr. Rosenberg, Mrs. Dolan or Mrs. Mikulski in the Social Studies Department before leaving for the summer! ******

We will begin the school year with a review of Imperialism and Progressivism. This material is your responsibility. We will review it briefly, and take the “big ideas” of these units to aid in understanding of future chapters.

To assist you with this task, please see the assignment below -

On the first day of school, turn in your handwritten notes on chapters 20 & 21. They must be a minimum of 4 pages per chapter (2 pieces of paper - front and back), cover the whole chapter, and identify, define and describe key points.

Value – 40 points

Thanks, and looking forward to meeting all of you next year!
